Clarification on Allowable Work on Software.

SWTAAC will not pay for off-the-shelf software. Some individualized software modifications are allowable. Allowable expenses will include code changes and software modification and installation to help integrate a company's systems.

PHASE 1: Certification

Criteria: Over the most current 26-month period, there must be a

- Decline in net sales ($\geq 5\%$) from year-to-year or on an interim basis
- Decline in employment ($\geq 5\%$)
- Increase in imports of like or similar products made by your company ($\geq 5\%$)

Step 1: Fax or email the *Pre Qualification* form (Image 1.0) with 26-months of net sales and employment information.

SWTAAC will contact you to let you know if your company pre-qualifies for the program.

Step 2: Complete “TAAC Petition Information” application and provide the items listed on the “Checklist” by mail or in PDF format via email.

*NOTE: Documents submitted by mail should be done via certified mail, preferably overnight mail.
All documents are available to download from swtaac.org*

Step 3: Provide the names of four (4) customers that have reduced purchases from your company and will verify that they are due to imports. The SWTAAC staff will contact two of them as part of the program requirements.

PHASE 2: Diagnostic Evaluation / Assessment

Criteria: The Diagnostic Evaluation and the Adjustment Plan, required by federal mandate, is submitted to the U.S. Department of Commerce for approval.

Cost to Company: Estimated \$900 to \$1,900, depending on the size and gross sales of the company. This payment will be required at the time of assessment.

Deliverables: An assistance plan that documents the company's strengths and weaknesses. The plan/recovery strategy also identifies specific actions the company will take while utilizing the matching funds.

PHASE 3: Project Implementation

Project Implementation begins after the Adjustment Plan is approved by the U.S. Department of Commerce.

Criteria:

- 6 months to start 1st project after the Adjustment Plan has been approved
- 60 months to complete all projects

NOTE: *Project extensions may be allowed in some circumstances.*

Projects: Contracts are drawn up between SWTAAC, your company, and the consultant providing the project services. Consultants must have a history of performing their specified service and have no personal relations to officers or owners of the company. A consultant cannot be a current or ex-employee within the past 2 years.

Payment: The company signs off on the project requested and pays the percentage agreed upon (25% or 50%) to the consultant. SWTAAC pays the consultant directly their percentage (75% or 50%) after proof of payment from the company is submitted by the consultant.

U.S. Department of Commerce makes the final determination regarding the eligibility of all Petitions and Adjustment Proposals. All company proprietary and financial information is confidential and exempt from the Freedom of Information Act.
